

* Please go inside for about 30 minutes when you see the truck spraying. Our drivers are instructed to cut off the sprayer if people are standing near the road.

* Please note that spraying may be cancelled or changed all or in part without notice.

* For more information consult the NHC Vector Control website. There is also a link to the Asian Tiger Mosquito.

* Please remember to check for standing water in your yards and dump water from all manmade containers. Toss, recycle, or store containers under cover so that they can never hold water. Mosquitoes only need 1/8 inch of water to complete their life cycle.

New Hanover County Spray Schedule (5/23/17-5/29/17)

No spray sessions will take place. Cancelled due to wind > 10 mph. Check back on 5/29/2017 for an updated map.

Citizen concerns will be addressed on a case by case basis.
