- \* Please go inside for about 30 minutes when you see the truck spraying. Our drivers are instructed to cut off the sprayer if people are standing near the road.
- \* Please note that spraying may be cancelled or changed all or in part without notice.
- \* For more information consult the NHC Vector Control website. There is also a link to the Asian Tiger Mosquito.

**\*Please remember to check for standing water in your yards and dump water from all man-made containers. Toss, recycle, or store containers inside so that they can never hold water. Mosquitoes only need 1/8 inch of water to complete their life cycle.**
