**Mosquito spray is approved for public health use, but as a precaution you can go inside for 30 minutes when you see the truck.**

**Spray schedules are based on mosquito trap counts, weather, and other data, and may be cancelled or changed. Spraying takes place in the evening and is weather permitting.**

**Remember to dump all standing water in your yard. Mosquitos only need one tablespoon of water to breed.**

**Find mosquito spray information, sign up for spray notifications, or report a mosquito concern at [Health.NHCgov.com](http://Health.NHCgov.com).**

**County wide spraying will occur between 6:45 PM and 12 AM.**
