

# Reproductive Life Planning Education

## What is this program about?

This educational program was created with the intent of reducing the number of infants born addicted to illicit substances, a condition called Neonatal Abstinence Syndrome. During this course, participants will learn about this disorder, how to prevent it and leave with a better understanding of their family planning options.

## Who can attend?

- Individuals under court mandate
- Any individuals interested in learning more about NAS and family planning.

## Upcoming Courses:

- October 31st, December 4th, January 30th, February 27th, March 26th
- Classes are at 10am and 2pm on the **last Thursday of every month** at the New Hanover County Department of Social Services.

**NEW HANOVER COUNTY**  
**PUBLIC HEALTH**
